T - WP Series

Splash Proof Weighing Scale

OVERVIEW

Waterproof Scales are designed for use in wet areas, but there are various levels of "waterproofing" available. The international IP standard for sealing integrity lists IP65 as capable of withstanding low pressure water jets from any angle with limited ingress. The T – WP Series features Super Bright LED Display, Built In Battery Back Up with Auto Sleep Function and is legal for trade scale in capacities from 6 kg to 30 kg.

FEATURES
